- Average wing velocity: calm to 5 m/s
- Average precipitation: 0,5-1,5 cm/m²

RADIO FREQUENCY INFORMATION: Only transmitters on 2,4 GHz RC systems are permitted. All radio equipment must be ECC certified. It is contestant's responsibility to assure that all equipment meets this requirement. In rare cases, other transmitters may be permitted.

INTERNATIONAL CONTEST "BUZAU CUP": The International Contest "Buzau Cup", Open F5B and Open F5D Contests will be conducted on Friday afternoon and Saturday, 14th and 15th September. All World Championships participants are invited to attend and fly in this event. This event will give the World Championships competitors the opportunity to practice on the official flying site.

LOCAL RULE: Competitors of the glider classes F5B and F5F must bring an additional receiver to the competition, on the same frequency they are using.

F5B

The limit is checked by an electronic limiter/logger from SM-Modellbau or Steve Neu that stops the motor after a preset energy level.

Logger data may be compared against the recorded signaling where any violation is penalized. The wiring and signaling will be checked also and must be according to the manual without any doubt. This is checked immediately after the flight by the organizer. After checking the logged data and the confirmation of the organizer that everything was within the rules the pilot has the right to request that the logged data have to be deleted immediately.

F5D

The limit is checked by an electronic limiter/logger from SM-Modellbau or Steve Neu that stops the motor after a preset energy level for at least 10 sec.

Logger data may be read out and checked by the organizer. Any violation is penalized. The wiring and signaling will be checked also and must be according to the manual without any doubt. This is checked immediately after the flight by the organizer. After checking the logged data and the confirmation of the organizer that everything was within the rules the pilot has the right to request that the logged data have to be deleted immediately.

ANTI DOPING

Quote from the FAI Anti-Doping regulations:

If you regularly take medication prescribed by your doctor and this medication is on the WADA Prohibited List, you need to get a form called a TUE (therapeutic use exemption) filled out by your doctor. International level

athletes must send the form to the FAI Secretariat, National level athletes send it to their National Air Sport Control.

PRELIMINARY ENTRIES: we are kindly asking all the NAC/Federations to send the preliminary entry forms on the attached forms until the 15th of February 2012.

Information Bulletin no 2 will be posted on www.frm.d.ro on the 30th of March 2012.

ENTRY FEES should be paid in EURO only by bank transfer to the below mentioned bank, no later than the 15th of June 2012. Later payments will be subject to a fine, as follows:

15th June-15th July: 10% fine

15th July-15th August: 15% fine

15th of August-14th September including payment cash upon registration: 20% fine

The fees for lunch on the flying site and banquet will be not subject to a fine.

All the fees should be sent to:
